Abdomen, acute, spinal epidural abscess presenting as, in child, 3
Abdominal aortic aneurysm, left renal vein ligation in surgery for, 432
  oesophagus, rupture of, 601
  pain, chronic, surgical or psychiatric symptom ?, 348
  surgery in man, lipid metabolites and nitrogen balance after, 242
  trauma, blunt, small bowel strictures after, 663
  wound closure, the Jenkins's technique, 278
Aberrant right subclavian artery, translocating, in dysphagia lusoria, 113
Abscess, ischiorectal, late infection of total hip prosthesis presenting as, 291
  spinal epidural, presenting as acute abdomen in child, 3
Absorption from jejunum increased by forward and backward pacing, 489
Acid phosphatase levels, serum, effect of rectal examination on, 512
Acute pancreatitis in Hong Kong, 398
Adenocarcinoma of stomach, gastrectomy for, anastomotic recurrence in oesophagus complicating, 609
Adenoma, liver cell, spontaneous rupture of, after long term methyltestosterone, 212
  of parotid gland, pleomorphic salivary, simple enucleation and radiotherapy in treatment of, 716
  solitary toxic, of thyroid gland, 592
Adenosine triphosphatase, muscle and serum, in patients suffering from tetanus, 533
Adhesion(s) formation, peritoneal, noxythiolin (Noxyflex), aprotinin (Trasylol) and, 654
  intraperitoneal, prevention of, 197

Amoebic colitis, fulminating, 630
Anaerobic infections, intrarectal metronidazole in prevention of, after emergency appendicectomy, 425
Analgesia, epidural, effect of, on metabolic profiles during and after surgery, 543
Anastomoses, colo-anal or colorectal, very low, use of circular stapling gun with peranal insertion of anorectal purse-string suture for construction of, 501
Anastomotic recurrence in oesophagus complicating gastrectomy for adenocarcinoma of stomach, 609
Aneurysm(s), abdominal aortic, left renal vein ligation in surgery for, 432
  axillary artery, bilateral, in child, 650
  hepatic artery, pitfall in biliary surgery, 259
  peripheral arterial, difficult, technique for, 651

Antrectomy, prepyloric, and pylorectomy, for gastric ulcer, 48
Aortic aneurysm, abdominal, left renal vein ligation in surgery for, 432
Aortofemoral bypass graft, salmonellosis associated with late rupture of, 822
Apocrine glands, distribution, size and density of, in hidradenitis suppurativa, 853
Appendicectomy, emergency, intrarectal metronidazole in prevention of anaerobic infections after, 425
  wound infection following, one-dose antibiotic prophylaxis against, 193
    double-blind trial of single intravenous dose of metronidazole as prophylaxis against, 428
    short term metronidazole therapy contrasted with povidone-iodine spray in prevention of, 430
Appendicitis, acute, in children, leucocyte counts in diagnosis and prognosis of, 782
Aprotinin (Trasylol), noxythiolin (Noxyflex) and peritoneal adhesion formation, 654
Areola, melanoma of nipple and, 287
